Question: Does all the INTERIOR DRYWALL need to be replaced or only select locations?

Answered: NO, All needs to match existing finishes , substrates. Colors to be selected by management.

Question: Has an Asbestos Survey been performed at this location? If so, based on the results that received, will you need post abatement clearances?

Answered: A DAIR report is available upon reawarding of project. All permits will be the contractors responsibility. Any and all ACM and LCM should be addressed accordingly. Environmental testing and clearances will be covered by SNRHA.
