

Brown Homes

CLEAN.CONVENIENT.AFFORDABLE.

Who are we?

Brown Homes were originally built in 1962 and 1963 to house military families from Nellis A.F.B. In 1986, all units received extensive rehabilitation and continue to provide affordable housing to low income families today. The property was named in honor of William Brown, former Clark County Housing Authority Chairman of the Board of Commissioners during the early 1960's.

What do we offer?

- ❖ One Bedroom \$375
- ❖ Two Bedroom \$440
- ❖ Three Bedroom \$490

The single-story units feature air conditioning, carpeting, large dual-pane windows, laundry hook-ups, outside drying areas, mature landscaping and plenty of parking. We are a pet friendly community.

This very convenient, East-Side location is within walking distance to many shopping centers, grocery stores, banks, schools, and bus routes.
