

Perry Plaza Senior Apartments Project

PERRY PLAZA SENIOR APARTMENTS
3900 Perry Street, Las Vegas, Nevada
Contractor: Burke Construction
Architect: Pugsley, Simpson & Coulter
Estimated completion: 12/21/2011

- ❖ **Project Description:** Development of 112 units for seniors of low income to be located on the former Miller Plaza public housing development site. Miller Plaza was demolished in July 2006 as part of a HOPE VI redevelopment effort. The new units will be row house and walk-up with elevator style and generously sized. Funding sources for this component is the ARRA funds CFRC and Replacement Housing Factor (RHF) Funds.
 - Estimated total development cost: \$12,000,000.00
