Southern Nevada Regional Housing Authority
340 N 11th Street
Las Vegas, NV 89101

SUBJECT: Emergency Housing Vouchers (EHV)

Dear Applicant,

The Southern Nevada Regional Housing Authority (SNRHA) recently received 586 Emergency Housing Vouchers (EHV) to provide rental assistance to four types of households:

1. Currently homeless
2. At risk of homelessness
3. Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking
4. Recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability.

In order to qualify for an EHV, you must meet one of the above definitions.

If you believe you may be eligible for the EHV program based on one of these categories, please contact one of our Southern Nevada Homelessness Continuum of Care partners to complete an intake assessment. The contact information for these partners is provided on the attached flyer, "Coordinated Entry Assessment Sites" .

Please note that if you have recently been assessed at one of the listed sites or by an outreach team, you are already on the community queue and may be considered for this or any other community housing program for which you are eligible.

If you have any questions about this program you can contact one of the CoC providers from the list attached.

Sincerely,
Southern Nevada Regional Housing Authority

Coordinated Entry Assessment Sites

Coordinated Entry (CE) is Southern Nevada's strategy for a more efficient system to assist households experiencing homelessness access housing services. This has proven to be an effective way to assess people for multiple programs and match them to appropriate housing in the community as it becomes available. CE allows providers to focus their time and resources on providing direct services to clients and improves the coordination of shelter and housing services.
