COMMUNITY SAFETY

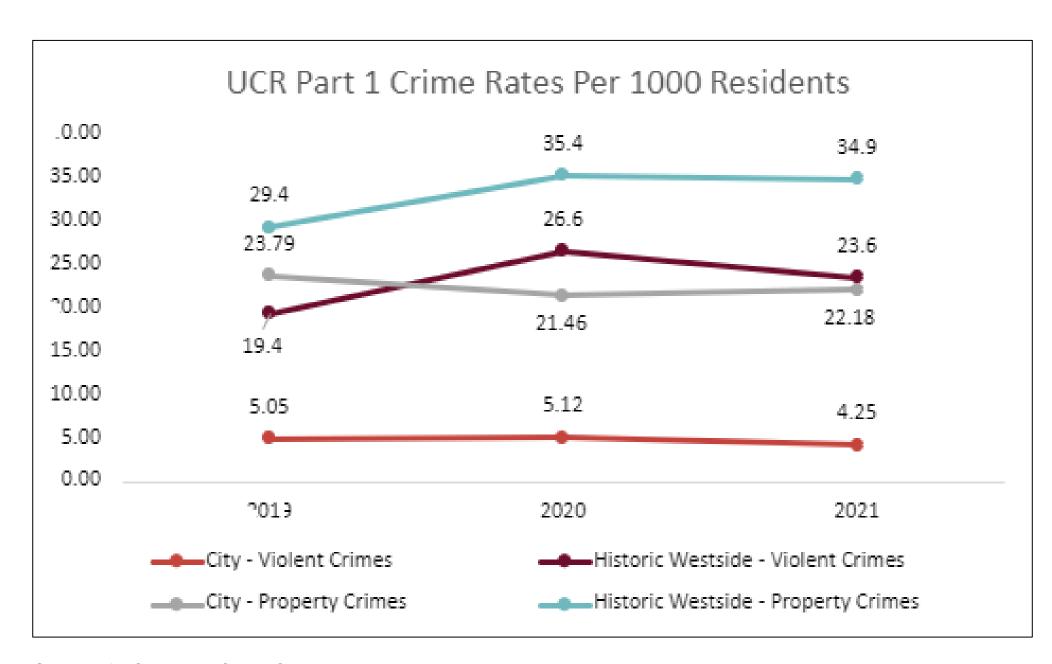

44% feel unsafe in the neighborhood

How often would you say that crime occurs in the neighborhood?

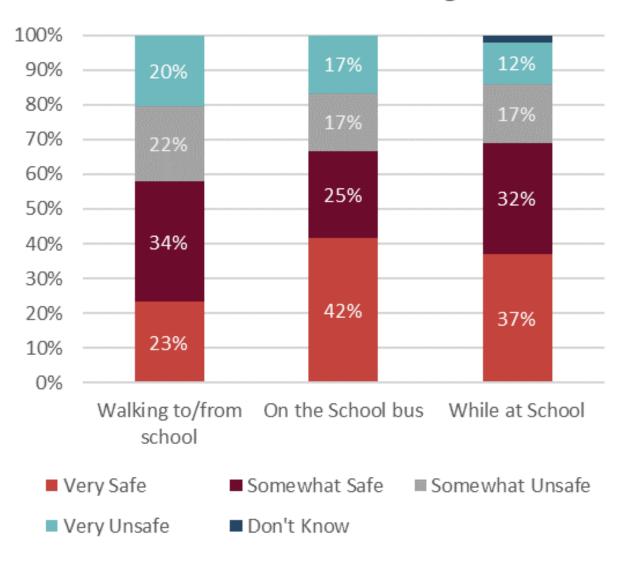

Crime Rate

- Violent crime rate in Historic Westside is
 5 times the city rate
- Property crime rate is
 50%+ higher than city

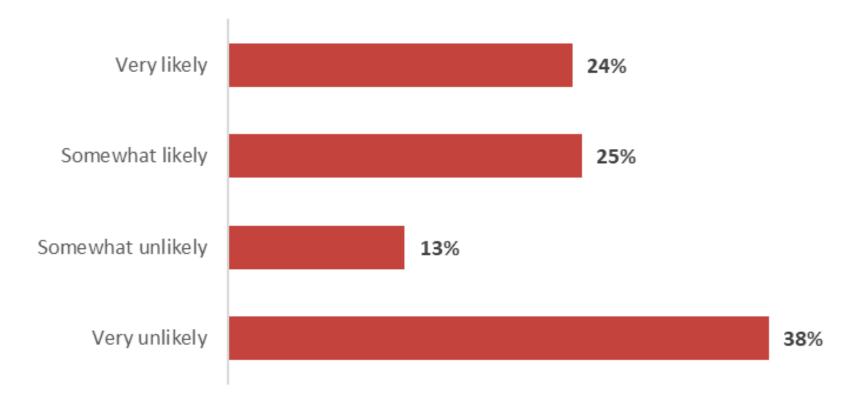

Source of UCR Part 1 Crime Count: Las Vegas Metro Police Department Source of Population Count: Clark County GILIS July 2020 Population Estimate

How safe do you feel that your children are at the following times?

How likely are you to allow your child to play outside in your neighborhood?

Perceptions of Police

I see the police as a resource to call when I need assistance.

I have been helped by the police.

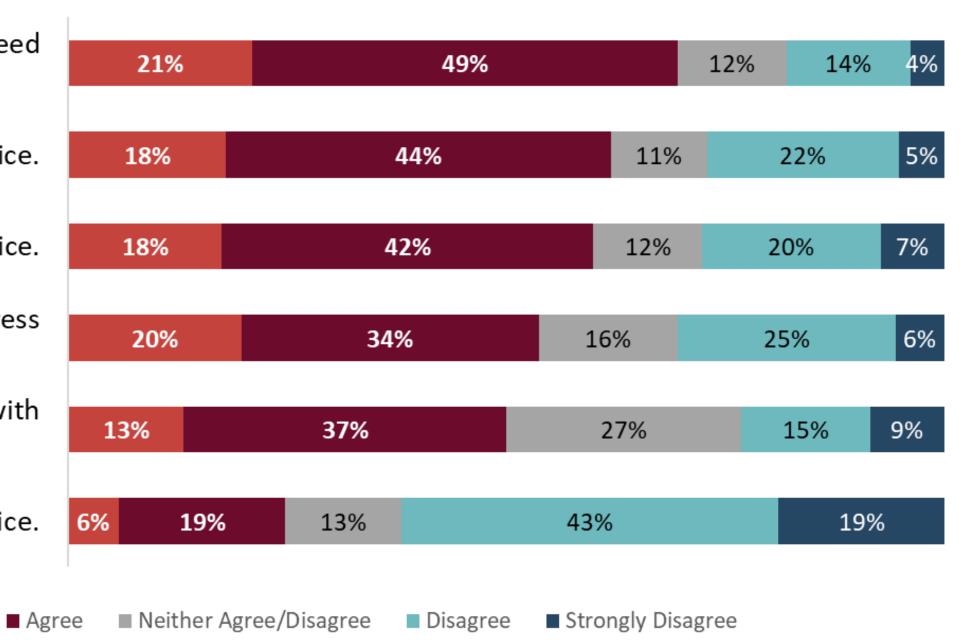

I feel safe providing information to the police.

I would work with Las Vegas police to address neighborhood problems.

The police in Las Vegas treat people like me with respect.

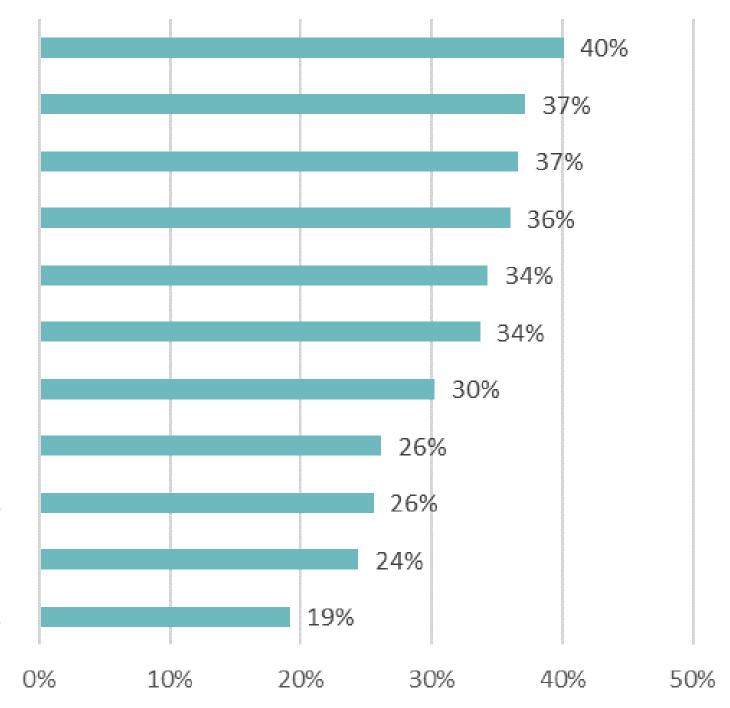

I have felt threatened by the police.

■ Strongly Agree

Top Choices for Improving Community Safety

Neighborhood clean-up and beautification Address barriers to economic opportunities More community building events/activities Improved sanitation and trash pick-up Frequent or visible police patrols Community Violence Intervention strategies Quality lighting Community-led Safety Programs Youth advocacy activities Self-defense training Better access to mental health services
